Homecoming Was a Time of Memories

Homecoming: a special time when all the alumni return to their home high schools, a time of excitement and expectation for the team's coming victory, a special night when couples are caught up in the atmosphere of splendor.

Homecoming activities started on Thursday night with the competition of the classes in a bedrace. Competition was limited due to the "breakdown" of the Freshman and Junior beds. The winners of the race were the mighty Seniors. Later that evening, introductions of the court and team were made at the bonfire. Spirit was heightened by cheers and class competition yells.

Friday night at the game, the court was recognized at halftime and Diane Harkness was crowned queen. In a close game with Lakewood, our able team was brought to defeat.

The 1971 Harvest Moon Homecoming Dance featuring the "Hammer Head" was a perfect ending to a memorable evening and Homecoming weekend.

Play Gets a Standing Ovation

"Don't Drink the Water" was a comedy that took place in an American Embassy behind the Iron Curtain. As the play opened, Walter Hollander, an American tourist, his wife Marion and their daughter Susan rushed into the embassy two steps ahead of the Secret Police, who suspected them of spying and picture taking. However, the embassy was not much of a refuge because the ambassador was absent and his incompetent son Axel was left in charge. The comedy was developed through the antics of an eccentric priest who had a hobby of practicing magic. As the play progressed, the hilarity was heightened through a scene where a rioting mob bombed the embassy building. Nevertheless, the Hollanders carefully planned their escape, allowing enough time for Axel and Susan to fall in love.

Comedy Completes a Decade of Drama at HHS

"You Can't Take It with you", a classic of modern theatre, underscores the idea that love, friendship, and acceptance of people as they are is paramount to gaining happiness. The Sycamores seem mad but maybe it's the rest of the world that is. In contrast to the delightful Sycamores are the Kirbys, wealthy but unhappy. Tony Kirby falls in love with Alice Sycamore and brings his parents to dine at the Sycamore's home on the wrong evening. The Kirbys are shocked by the ways of the Sycamores, and Alice realizes that marriage to Tony is out of the question. However, Tony won't give Alice up. In the end Mr. Kirby is converted and joins the happy madness of the Sycamores.

4th Musical Hit at HHS

"Hello, Dolly!" is a story of the joy of living brought to life on the musical stage by Dolly Gallagher Levi. The story centers around her efforts to marry Horace Vandergerder. After the passing of her late husband Ephraim Levi, Dolly's main pastime is "meddling." She succeeds in matching up the widow Mrs. Molloy with Vandergelder's head clerk Cornelius Hackl; Cornelius' assistant Barnaby Tucker, with Mrs. Molloy's assistant Minnie Fay; a struggling artist Ambrose Kemper, with Mr. Vandergelder's weeping niece Ermengarde.

Mrs. Levi trails Vandergelder to his hay and feed store in Yonkers, then by train travels back to Mrs. Molloy's hat shop in New York, out into the streets of the city where they are all caught up in the great Fourteenth Street Association Parade, and finally to the most elegant and expensive restaurant in town, the Harmonia Gardens.

Dolly gets her man, of course. She even makes him glad she caught him.

An Evening On An "Isle of Golden Dreams"

The Prom: the school year's most special occasion. Much planning and work go into making it a success, hours of finding just the right thing to wear, reservations to make at an extravagant restaurant. All this came to its peak at the magic moment, April 29, 1972.

The "Isle of Golden Dreams" was this year's theme for the Prom. The junior class worked diligently to make it a success, the best prom yet. The pompous occasion was held at Howard Johnson's. A swinging bridge emphasized the pool, and palm trees, fruits, and leis accented the island paradise.

The New Image provided the musical entertainment. Cake, fruit, and punch were provided for refreshments.

Miss Susie Ferguson was crowned queen by Steve Mershon. The queen and court led in a dance.

The afterprom was held at Park Lanes where everyone enjoyed themselves bowling, playing pool, eating free food, and receiving door prizes.

An End and a Beginning

On June 4, 1972, the Class of '72 participated in their last activity as a group. There were to be no more pep rallies, picnics, or assemblies. The Baccalaureate and Commencement exercises of the tenth graduating class of Heath High School were the last hours they would spend together.

Baccalaureate, a religious service, was held Sunday afternoon in the high school auditorium. The Baccalaureate sermon was given by Wilburn Ferguson with Ray Linn and Franklin P. Riffell also assisting in the service.

For the first time in the history of Heath High School, the commencement exercises were held on the football field. During the ceremony special awards were presented to Sandy Martin, Mike Stickle, Vicki Passman, Diane Harkness, Dave Hanley, Debbie Dixon, Karl Anderson, and Steve DeLawder. The Commencement Address was given by C. William O'Neill, Chief Justice of the Ohio Supreme Court, who left the graduates with some thoughts about the life that they were leaving behind and the new way of life that they were beginning.

Cross-Country Has Another Fine Year

This year's Cross-Country Team was a young and building team. However, by no means was it an unsuccessful season. A team with only four returning lettermen, it was definitely the hardest working team in its four year history. The team was constantly improving, both individually and as a team. Led by Junior Mark Bickle and Senior Tom Hitchock, the team finished second in the L.C.L. Meet second in the Bloom—Carrol Invitational, and had a 5-3 season. Sophomores Johnny Holland, Eugene Shaw, Terry Cost, Mike Hughes, and Freshman Gerry Miller made up the rest of the varsity. Lost to graduation are reserves Butch Schultz and Jeff Booth and from the Varsity, No. 2 man Tom Hitchock.

Varsity Football Has Its Best Year

The 1971 Bulldogs had a very successful season this year. The Dogs started off with a victory over Olentangy. The game was the first shutout by a Heath team. The next two games the Bulldogs lost to two teams which Heath has never beaten. It looked as though the Bulldogs might be in for another disappointing season. However in the next two games the defense held both teams scoreless while the offense went to work. After tying Licking Valley, the Dogs lost in the last few seconds of the game to Utica. Once again the Bulldogs did not give up their hope of having a winning season. The Dogs ended the season with two more victories.

Bulldogs Have Two Three-Year Lettermen

Karl Anderson and Ed Laurienzo spent their third year on the varsity football squad this year. Both Karl and Ed were on the Heath freshman football team that took first place in the league. This year Karl surpassed the old LCL passing record which was held by a Johnstown coach. Ed was out part of the season with a broken arm. Even so, Ed played a main part in Heath's winning season. Ed was a starter on both offense and defense this year.

Heath Has Many Firsts

With the seniors leadership, and backing from juniors and sophomores, the Bulldogs acquired their first winning season. The offense set a school scoring record by scoring fifty-four points against Heights. The defense shared in the glory by shutting out Olentangy in the first game of the season. The shutout was the first in the school's history. The defense shut out two more opponents before the season ended. The Dogs beat Johnstown for the first time ever. Next year's team can be the first to beat a Lakewood or Granville team.

Though the Varsity squad had a successful season the Freshmen did not do so well. The little Dogs had a hard time getting their offense to go and the defense could not stop their opponents from scoring.

Varsity Basketball

This year the Bulldogs broke even with a 9-9 record. There were five lettermen on the team this year all of whom were seniors. The Bulldogs lost to four teams in the first round of league play, but were able to come back and beat two of the teams in the second round. One of the teams beaten by the dogs in the second round was Licking Heights, who was one of the LCL leaders. With the return of the juniors and two sophomores that were on the team, next year should be another winning season.

The reserve team started the season off on the wrong foot. But the team did not give up. They came back to win the next three games. Dropping one of the non-league games and winning the other, the Bulldogs ended the season with a 10-8 record. The sophomores look like good material for next year's varsity basketball team.

The freshman team did not have the good luck the reserve team did. The team managed to win only one league and one non-league game. With a lot of hard work next year's reserve team will have a winning season.

Track — 1972

This year's track team, although young and inexperienced, finished second in the county. Coach Hardin hopes for a county title for the school next year, since we are only losing four seniors. With a 6-1 season, it proved to be a good year for the track team and most of the team will be returning next season. This year was a year of surprises: John Corbin set a new school and county record in the pole vault with a mark of 12′11″; we had a two mile and shuttle hurdle relay team place in the Mt. Gilead Invitational; and we actually got to use a school bus to go to the away meets.

Baseball

The 1972 baseball season was an improvement over last year's. This year the team had plenty of experience in Anderson, Clark, Evans, and Lucciotti, who have been on the team since their sophomore year. One of the highlights of the season came in the second game against Danville. The Bulldog pitchers Evans, Lucciotti, and Williams did not give up a hit. The starting pitchers were E ans, Lucciotti, Jurden, ar Matthews. In tourname play Heath won two gam and lost one. Heath ended t season 4-3 in league play ar 12-12 overall. More than ha of the team will be back ne year and there will also players coming up from t reserve. Next year should the best year Heath has ev had in baseball.

Guidance Counselors and Secretaries

The guidance counselors do their best to assist everyone who comes to them for help. They also help the students to organize their class schedules for the coming year. We have two guidance counselors at Heath High School, with the guidance director stationed at Fulton Middle School.

The secretaries are an asset to Heath High School and to the administrators for whom they work. These ladies help the students in every way they possibly can.

The cooks at Heath High School are a definite necessity and do their best to please the students' appetites. To give the students more of a variety in their noon meal, the cooks opened a snack bar this year.

The custodians work hard to keep Heath High School appearance immaculate. Not only do the custodians keep the school clean, but because they are on duty twenty-four hours a day they also protect the school from vandalism.

Seniors

Class of 1972

For the class of 1972, this was the year that it seemed would never come . . . but at last it came. It was a very eventful year filled with many activities and long-lasting memories.

The Seniors never lacked school spirit and they were always well represented at school functions.

The class began their year with the traditional Homecoming bonfire and dance. The theme of the Homecoming dance was "Harvest Moon."

The last few weeks were very busy ones for the Senior Class with the Prom, Senior Regression Day, Senior Picnic, and the Dangerous Parallel Seminar.

The class of 1972 was the 10th graduating class of Heath High School. On June 4, 1972, 134 Seniors ended their year, a year which they will never forget.

Juniors

The class of "73" spent most of its time preparing for the Junior-Senior Prom. The money that was raised came from the Juniors who worked in the snack bar during basketball games. The theme of the prom was "Isle of Golden Dreams" and was held at Howard Johnsons. The decorations for the prom were in Hawaiian style.

Class of 1974

The Class of '74 spent this past year working diligently to prepare for the prom next year. The task was accomplished by selling Rex, by sponsoring a dance, and several carwashes.

Sophomores participated not only in their own class activities, but many became involved in other phases of high school life, including sports, drama, club activities, choir, and band.

Thinking Back

Time it was,
And what a time it was,
It was . . .
A time of innocence,
A time of confidences.
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories;
They're all that's left you.

created. The staff strove for unity, yet, excitement within th
book, the intent being to make a book that would be mor
